

## Whispers from God

Dear {{FNAME}},

Don't worry about your future or cling to your past. Focus on right now because, at this very moment {{FNAME}}, you are exactly where you are supposed to be... in my loving arms.

Faithfully yours,

GOD

Dear {{FNAME}}

I filled the oceans with water and the skies with stars. I think I am pretty capable of filling you up with my spirit, {{FNAME}}. Will you let me?

Yours forever,

GOD

Dear {{FNAME}}

Passion is an awesome thing. But misguided passion can lead you away from the incredible joys I have in store for you. Pursue your passion with me {{FNAME}} and I will keep you headed in the right direction.

Your personal GPS,

GOD Positioning System

Dear {{FNAME}}

If money grew on trees everyone would want the seeds. When really {{FNAME}}, all you need is the seed of faith planted deeply in your heart. Have faith that I will provide and I will.

Your eternal supplier,

GOD

Dear {{FNAME}}

When you are anxious, nervous, fearful or afraid, do not be worried if you find that you have sweaty palms. It is because during those difficult times {{FNAME}}, I am holding your hands in mine.

Love,

GOD

Dear {{FNAME}}

It is okay to make mistakes. It is okay for others to make mistakes, too. So next time it happens, because it will happen again {{FNAME}}, don't be so hard on yourself or others. Let's face it, nobody's perfect... except for me.

Your perfect GOD

Dear {{FNAME}}

I created the trees. They provide wood for homes, paper for books, shade from the sun and clean air to breathe. So why would you ever think that I created you for no purpose at all? You {{FNAME}}, were made for greatness. I know this because you are my creation.

With good intentions always,

Your Creator

Dear {{FNAME}}

I know that you have questions. I know that you want answers to why certain things have happened in your life. But the admission paid for this show was far too great for me to give away all the answers before the ending. Trust me {{FNAME}}, it will be worth the wait.

See you when the show's over,

GOD

Dear {{FNAME}}

Be less selfish. Focus less on your desires and more on those of others. Spend less time building up your own ego and more time lifting others up. Devote less time to complaining about your life and more time living it. I guess what I'm saying {{FNAME}}, is that if you spend less time on yourself you will become self-less. And then you'll have more room for me in your life.

Longing for you,

GOD

Dear {{FNAME}}

Happiness comes from acceptance. And I want nothing more for you than complete, unending, all-consuming, overflowing, abundant, sky-high happiness. Can you accept that {{FNAME}}? If you can, than you're off to a good start.

Your biggest cheerleader,

GOD

Dear {{FNAME}}

I speak through a soft snowfall, whisper in the wind and counsel you in times of chaos. My voice is not always loud, but it is always with you {{FNAME}}. Stop for just a moment during the calm and the storm and you will hear me in your heart.

Your soft spoken GOD

Dear {{FNAME}}

Following me is a choice. I cannot promise that it will always be easy or that you won't want to give up. But I can make you one promise {{FNAME}}. I promise that I will be with you every step of the way. And together we can really go places. So what's it going to be?

Your patient partner,

GOD

Dear {{FNAME}}

I want you to succeed. I want you to thrive. I want you to be the best you that you can be {{FNAME}}. But I can't do it alone. Will you help me?

Your Life Coach,

GOD

Dear {{FNAME}}

I hurt when you hurt. I ache when you are in pain. I grieve all of your losses. And I taste the salt of every last one of your tears. You are my child and I want to take all of your anguish away. Will you trust me to do that {{FNAME}}?

Your strong and mighty GOD

Dear {{FNAME}}

I hope you don't have too many plans today because I would really like to spend some quality time with you. Maybe we could go for a walk on my beach or sit together in my fields. I would really enjoy that {{FNAME}}. Do you think you could fit me into your schedule?

Yours forever,

GOD

Dear {{FNAME}}

I love you. You are more to me than just my child. You are my unique and special creation. You are a collection of experiences that have shaped you into a perfect work of art. You are not who you were and you are not yet who I know you will be. But right now {{FNAME}}, you are exactly who you are supposed to be. Thanks for being you.

Your proud father,

GOD

Dear {{FNAME}}

I love when we have our little talks. I love that you trust me with your secret desires and darkest fears. I love that you are perfectly flawed and limited and that you see those weaknesses as assets because it is only through your weaknesses {{FNAME}}, that my strength can shine through. Thanks for complementing me so well!

GOD

Dear {{FNAME}}

You are never alone. In darkness I am with you, lighting your path. When the wind blows hard, I am behind you protecting you. In good times, it is me who shines the sun in your direction. I lift the corners of your mouth when you smile and pump your heart full of joy when you are happy. I am your constant companion. No matter what, all the time, I am with you.

Your Father,

GOD

Dear {{FNAME}}

I am the solution to all of your problems, no matter how big or how small. Confusion will become clarity, desperation will turn into discipline and hopelessness will give birth to humble obedience when you turn those difficult situations over to me. {{FNAME}}, stop spending your time looking for the answer everywhere around you and look to me. I am the only answer.

GOD

Dear {{FNAME}}

Wrap yourself in my love and I will keep you warm. Drape yourself in my grace and you will find peace. Find courage in my strength and rest your weary head on the rock of my mercy. Build your life with me as your foundation, {{FNAME}} and you will withstand every storm that comes your way.

Your Designer,

Dear {{FNAME}},

You are never alone. In darkness, I am with you lighting your path. I walk behind you blocking the wind during the storms. In good times, it is me who aims the sun down on your face. I lift the corners of your mouth in a smile and pump your heart full of joy. I am your constant companion, {{FNAME}}, all the time, no matter what happens, forever.

Yours,

GOD

Dear {{FNAME}}

I have been waiting a long time for you, {{FNAME}}. I have missed you so much. I know you have had to find your own way and go down your own roads. But I am so glad that they have led you back to me.

Welcome Home!

GOD

Dear {{FNAME}}

Loneliness is a choice. You can choose to live in isolation, cutting yourself off from others and from me. Or you can choose to live in fellowship with others and with me. Choose me and you will never be alone again.

Always yours,

GOD

Dear {{FNAME}}

Are you looking for the perfect life partner? Someone who will love you, unconditionally, exactly as you are; someone who will always support and encourage you? Do you want to spend the rest of your life with a true friend who knows you better than you know yourself? Well {{FNAME}}, you can stop looking. I'm right here.

Your true soul mate,

GOD

Dear {{FNAME}}

You are the apple of my eye. Your kindness makes me swell with pride. Your curiosity puts a smile on my face and your pain hurts my heart. I will always provide for you and protect you. And like any parent should, I will always love you.

Your Faithful Father,

GOD
